

KORY (LAP-BAND® System patient): When I finally made the decision that I was going to have the surgery I went on the internet and researched it and I found a surgeon near my home in Jamestown in Erie, PA and I went from there.

JOHN DIXON (Expert on Obesity & Bariatric Surgery): It's important that you select a surgeon very carefully. It's important that you know about the surgeon.

ARLENE (LAP-BAND® System patient): I have a wonderful doctor. Find that doctor, do your study, look it up, look into it, and do it.

STACEY (LAP-BAND® System patient): I Found my great surgeon, you know, fell in love with him. Started really researching, started going through all his requirements.

MICHELE (LAP-BAND® System patient): I attended one seminar and the particular doctor that was speaking had also had the LAP-BAND®, so that kind of touched me as well because it was like ok this person is speaking from experience.

JOHN DIXON (Expert on Obesity & Bariatric Surgery): What you want is someone who is experienced, you want someone with a great team, you want someone with a proven track record if you like. This is the surgeon for you.
